

On mélange le sucre
la levure et la farine.

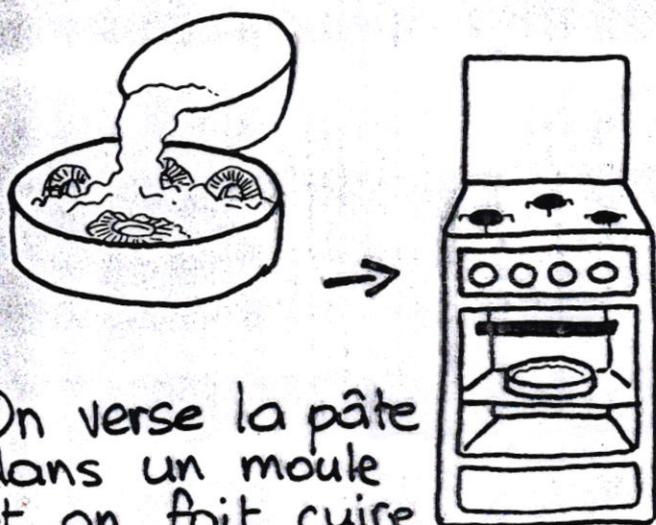

On casse les oeufs
et on mélange.

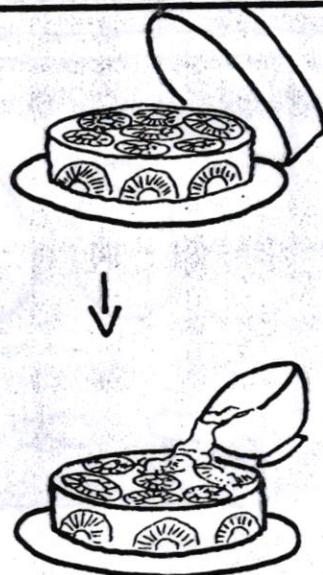

On verse le jus de
la boîte d'ananas
dans un bol.

On pose les rondelles
d'ananas dans
un moule.

On verse la pâte
dans un moule
et on fait cuire
40 minutes, thermostat 6.

Quand
le gâteau
est cuit,
on verse
dessus
le jus
de la boîte.

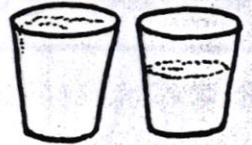

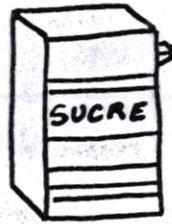

Gâteau à l'ananas
